

26<sup>th</sup> September 2019

**Change from “Port Moresby” to “Motukea Island”**

Dear Valued Customer,

With effect from the following voyages and any voyage thereafter in the respective service, Swire Shipping will standardize the location name and port code for all cargo handled at Motukea International Terminal.

<b>Service</b>	<b>Voyage</b>	<b>Motukea Dates</b>
ESEA	Shansi v1918N	25 <sup>th</sup> Nov 2019
NAT	Soochow v1915S	22 <sup>nd</sup> Nov 2019
	Soochow 1915N	
NAX	Bardu v1915S	1 <sup>st</sup> Dec 2019
	Bardu v1915N	
NGS	Shaoshing v1931S	28 <sup>th</sup> Nov 2019
	Shaoshing v1931N	
PNG	Morobe Chief v1935N	16 <sup>th</sup> Nov 2019
	Morobe Chief 1935S	

Documents issued by Swire Shipping from these voyages onward will reflect “Motukea Island” (UN Location code: PGMTK), instead of “Port Moresby” (UN Location code: PGPOM).

This change to reflect the actual UN Location where our vessels berth and handle cargo will simplify documentation processing and ensure compliance with various regulatory requirements.

Please contact your local Swire Shipping Office for if any assistance or clarification is required.

Yours sincerely,  
**Swire Shipping**
