

1st November 2019

Fiji to Papua New Guinea – Bunker Adjustment Factor

Dear Valued Customers,

Further to Swire Shipping efforts to ensure that we are compliant with the IMO2020 regulations, Swire Shipping will changeover fully to the more expensive IMO2020 compliant fuel types in December.

As a result, Swire Shipping wishes to advise that the Bunker Adjustment Factor (BAF) applicable for cargo shipped between Fiji and Papua New Guinea for the month of December 2019 will be as follows:

Quantum:

Containers: USD 755 / 20' or USD 1,510 / 40'

Breakbulk: USD 37.75 / RT

The above surcharge will apply for all consignments showing a Swire Shipping Bill of Lading date of 1st December 2019 or later for connections between Fiji and Papua New Guinea.

For further information on this notice, and more details on upcoming IMO2020 regulations, please do not hesitate to contact your local Swire Shipping representative
